

Little Darby Litter Pick-up!

Join Us on July 14th and Walk Along the Creek Bank

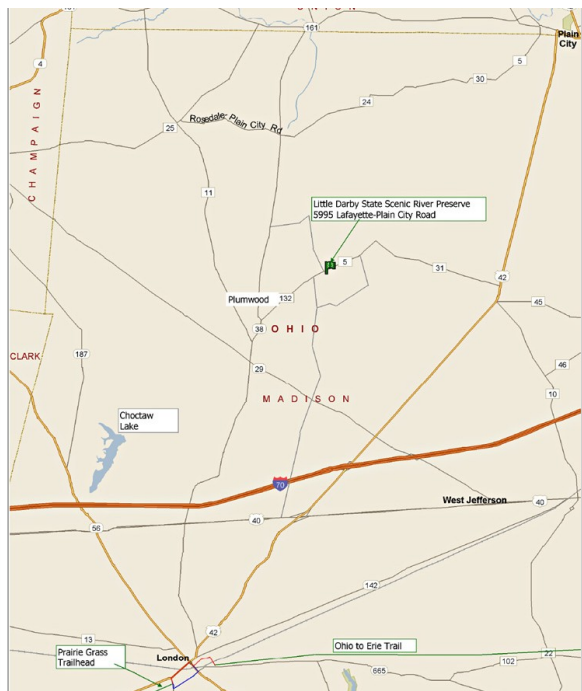

The Madison County Park District is asking for volunteers to help remove bottles and cans along the creek bank and trail at the Robert T. Florence Little Darby Preserve. We will have trash bags—please bring gloves. The Preserve is primitive (no rest-rooms). It is open to the public for low impact recreation, such as hiking and fishing, and protects the extraordinary biological diversity of the Little Darby Creek. We hope you can join us!
